ENGINEERS

ISO 9001:2015 CERTIFIED COMPANY

Introduction

JK ENGINEERS is a leading Mechanical Engineering and contracting company in the Rampur, Uttar Pradesh, INDIA established in 1990. Over the past **28** years, **JK ENGINEERS** has positioned itself in the Mechanical construction sector with over 180 successful projects delivered to both Government and Private clients. It has built its reputation by constantly seeking new construction innovations and technologies that provide its clients with quality, reliable and collaborative services with commitment of delivering projects on time, within budget, and to the highest quality standards. The Knowledge and experience over the years in business has given **JK ENGINEERS** a reputation as a reliable contractor that values its relationships with clients, peers and vendors in the industry.

JK ENGINEERS not only offers competitive pricing, but also adheres to building specifications, construction schedules, quality, safety standards and holds registrations to recognised international standards including ISO9001:2015, EMSM. Its financial strength, longevity, and stability come from the fact of being part of '**JK Group**', getting the benefit of the leveraging synergies with other JK Group companies that span all aspects of the construction and services sectors including Manufacturing, Information Technology, Hotels, Sports & Leisure and Oil & Gas.

ENGINEERS

ISO 9001:2015 CERTIFIED COMPANY

Structural Plant, Equipment, Machinery & Fabrication

Established to manage and utilize the company's vehicle fleet, equipment, and machinery in-house, rather than outsourcing it. This allowed JK ENGINEERS to save extra cost and ensure that the work is entirely done with better service and quality. With aim to support projects in meeting the programs and keeping the site production on track. It's divided into two departments :

I. Plant & Equipment Department

Manages the company's plant, vehicle fleet, and equipment. It has several Factories in Rampur (UP), INDIA that provides; Preventive Maintenance, Breakdown, Repair & Maintenance.

II. Machinery & Fabrication Department:

- The Machinery Department; manages the power tools, machines, small tools and other construction equipment. The department keeps a large store of Manufacturing Equipment and serve items to the projects based on their needs.
- The Fabrication Department uses its design and engineering skills to fabricate, Plant & Machinery like Kettle/Reboiler, Column, Condenser, Heat Exchanger Reactors, Conveyors Hi-Pressure Vassel, Receivers, Storage Pallets project items such as secondary steel work, curing tanks, diesel tanks, water tanks, concrete buckets, sound proof canopies, man lift baskets and any other items based on the project's requirement. It includes a separate paint shop and Material Pickling facility which enables the Plant Division to ensure all assets are maintained to an acceptable level of finish in line with company standards.

ENGINEERS

ISO 9001:2015 CERTIFIED COMPANY

Mission

We design high-quality systems and products based on its ion linac technology. Our mission is to build on our history of product excellence and technology innovation to provide the highest-quality and most reliable products and services to our world-wide customers in medicine, industry and research.

Vision

To be the first preference of our customers by providing reliable safe and cost-effective Plant and Machinery systems that confirm to the highest order of international standards.

Team

At the heart of JK ENGINEERS manufacturing and operations are a team of highly skilled & qualified and well experienced team of managers, engineers, supervisors, technicians, commercial and marketing & field personnel. The dedication and commitment of the team combine with their skilled expertise in providing cutting edge solutions for all industry needs. The company has a special task force well equipped to handle all kinds of round-the-clock emergency situations. It is our pride to say, 'JK ENGINEERS' is associated with most of the leading projects in INDIA & ASIA and in the authorized contractor list of leading establishments like Petroleum, Civil, Reliance Petroleum and Distillation Industries etc.

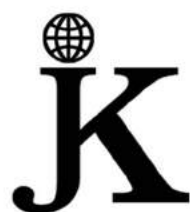

ENGINEERS

ISO 9001:2015 CERTIFIED COMPANY

Products & Services

- Petroleum & LPG Tank and Piping System
- Fuel System (Oil, Gas, Coke, Wood, Husk)
- Distillation Plant & Equipments
- Manufacturing of Storage Tanks as Per UL Standards (Round, Square, Rectangular, Conical)
- API 650 Tanks (Molesses, Alcohol, Chemicals)
- Tipper, Trailer, Tankers
- Steam Boilers , Thermopac and Piping
- High Pressure Pipeline Work (Hydraulic, Air, Nitrogen etc)
- Solar Water Heating System
- Installations Services
- E-Ricshaw
- Oxygen Gas and Vacuum System
- Sheet Metal Products For Automobiles
- Wheels and Rim for Tractor and Commercial Vechiles
- Agriculture Equipments and other skills
